	Terrorist Attack Attack in Athens	•
The indi	genous Greek terrorist group Revolutionary Organization 17	
	imed credit for the 24 April bombing of a Greek military bus in	-
	personnel were injuredone critically.	
T	The bus was on a regularly scheduled run from the Greek military	
	pase at Elefsis to the US Air Force base at Hellenikon	
i	n Athens. There were approximately 25 US Army personnel and	
d	lependents on board.	
P	Preliminary analysis (type of device, method of construction,	
p	placement and initiation) indicates that the bomb was designed to	
C	cause a maximum number of casualties.	
17 Novem	ber is believed to be a sub-group of Revolutionary People's	
Struggle (EL	A)a loosely organized umbrella group of anti-US, anti-NATO	
	ek terrorist organizations. ELA is believed responsible for over	
	. Pinchombings on coses of engen since 1070 including a see bamb	
	s, firebombings or cases of arson since 1974, including a car bomb
